The Pumpkin Patch field trip was fabulous! We could not have done it without our amazing room moms!

**Religion** - We continue to discuss how we celebrate our faith in Ordinary Time. For the next two weeks we will study “The Lord’s Prayer” and some of our favorite Saints in depth.

**Language Arts** - Our literacy theme was all about spiders. We shared stories, songs and videos that focused on the key details that set spiders apart from other living creatures.

**Phonics** - We will be circling back to all phonics learned to this date before introducing new phonemes. It is important for us to fully understand how the children are doing on individual levels before moving on.

**Sight Words** - Our sight words to date are:

**A I am at am be me my see like the**

These words are practiced several times a week during bingo, matching, word works and simple texts.

**Writing** - The children continue to use new sight words in their daily journals. They have also practiced writing lists as we complete **Know/Wonder?/Learn** charts about spiders.

**Creative Expression** - Spider webs and spiders can be very beautiful! Just wait until you see what your artistic children have created!

**Math** - We are taking our time with the 3rd topic as we play games and read stories that incorporate number sense to and beyond ten.
